Current Lion Year Progress to *MISSION 1.5* Targets

Category	Target	Actuals	% Completed
New Clubs	176	17	10%
New Members	15.878	4.508	29%
Net Gain	4	87	

- the data refers to October 19th. Like last year, Europe starts slowly during the summer.
- We had a good start in MD 105, 108, Undistricted. We have new clubs also in MD 102, 118.

Year Over Year Progress

Category	Actuals September 2024	Actuals September 2023
New Clubs	16	14
New Members	3,602	3.500
Net Gain	-94	-413

- we can see an improvement on the new clubs compared to last year, and also the net gain is improved, and for the new members.
- compared to last year there is much more awareness on the part of the MDs GAT leaders and we feel greater energy
- there is a lot of expectation for what will happen after the Summits

Key Benefits
